Greening Fleet

Climate Action in Fleet – Join your community.

We would love your support to help make Fleet more climate resilient. We are running an exciting new project over the next 12 months, which starts by focusing on some challenges within YOUR household.

LAUNCH EVENT FOR GREENING FLEET – 9th March 2024 from 10am, The Views, Fleet
Find out what it's all about!

YOU ARE THE KEY TO CHANGE. Please commit to **3** of the challenges below
THEN PUT THE CARD IN YOUR STREET FACING WINDOW TO SHOW YOUR PARTICIPATION

We will be round to count cards **between the 14th – 19th April.**

To find out more, including how to get involved further, please visit
<https://www.fleet-tc.gov.uk> or visit our 'Greening Fleet' Facebook page.

- Energy Efficient Warmer Homes** Only fill the kettle to a level of water you will use and save £37 a year. Supported by the Sustainability Centre and the Environment Centre
- Health Impacts of Climate Change** Have 3 conversations in your community or with your family about climate change; how you feel and your concerns. Advice is on our website above. **C**
Supported by a Health Professional
- Space for Nature** Create a 1m square garden space/window box for nature. Details on how to do this are on our website above. **C**
Supported by Hampshire & Isle of Wight Wildlife Trust
- Cycle of the Seed** Grow your own easy salad in your garden or windowsill. Our website (above) gives instructions on how to grow delicious organic salad leaves through the year. **C**
Supported by Garden Organic
- Waste Prevention** Reduce food waste by storing food correctly. Check your fridge is set to the correct temperature, keep all fruit and veg (apart from onions, bananas and whole pineapples) in the fridge. Rotate stock to use oldest items first. **C**
Supported by Hampshire County Council Waste Prevention Team

Help YOUR Fleet to look towards resilience in the face of climate change together. We are looking forward to counting your card.
