Happy New Year from all at Fleet Town Council

Are you undecided about your New Year's Resolution

If you are, then why not become a Fleet Town Council Volunteer

Fleet Town Council is always looking for volunteers to help make Fleet a better place to live and work. Below are just a few of the tasks undertaken by volunteers during 2013.

Each year in April, an Action Day is organised by Fleet Town Council. The aim of the Action Day is to improve the appearance of the town and park, bringing back the Civic Pride and Community Spirit that has been lost over the years.

Many residents have already taken up the challenge and four of our parks now have Friends of Groups who actively work towards making our parks better places to visit and enjoy.

If you are more of a townie, then you may want to join the army of volunteers who work in the town centre, trying to improve any tired and unkempt areas by cleaning and refurbishing street furniture, removing weeds, cleaning up outside the empty shops, taking down fly posters etc - the list is endless.

It is not only the Friends of Groups that do a magnificent job volunteering.

Just before Christmas, the 29 Odiham Scouts, Cubs, Beavers and parents spent the day in Fleet Cemetery clearing the leaves, pine cones and needles in readiness for visitors to the cemetery over the festive period.

Youngsters refurbishing the skate Park

On the hottest day of the summer, the local skate park also had a facelift when the ramps were repainted by local youngsters.

These are just a few of the tasks undertaken by volunteers. If you would like to become a volunteer for Fleet Town Council and require more information, please email deputyclerk@fleet-tc.gov.uk or call 01252 625246
