#### 2. DECLARATIONS OF INTEREST

Under the Local Authorities Localism Act 2011, members must declare any interest and the nature of that interest, which they may have in any of the items under consideration at this meeting.

Members are reminded that they must disclose both the existence and the nature of a personal interest that they have in any matter to be considered at this meeting. A personal interest will be considered a prejudicial interest if this is one in which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the members' judgement of the public interest.

3. QUESTIONS FROM THE PUBLIC (3 min per person maximum 15 minutes)
To receive questions and statements from members of the public.

- b) To receive a statement from Councillor Stanton that the bank reconciliation and list of payments for January 2025 have been verified and signed off against the original bank statement.

#### **RECOMMENDATIONS**

- a) To receive and accept the bank reconciliation and list of payments for January 2025.
- b) To accept the statement from Councillor Stanton that the bank reconciliation and list of payments for January 2025 have been verified and signed.

#### 8. FIXED ASSET DISPOSALS

Financial Regulation 14.2 requires that the disposal of any asset over £250 be approved by Full Council.

Fleet Town Council recently upgraded all staff computer equipment, rendering the old devices obsolete. Given the rapid pace of technological advancements, it is unlikely that these computers hold significant resale value. However, officers will endeavour to obtain the best possible price where feasible.

#### **RECOMMENDATION**

Officers request Members approval to dispose of the obsolete computer equipment.

#### 9. FLEET VICTORY IN EUROPE 80 YEAR CELEBRATION EVENT

In 1945, our nation joyfully marked the announcement of Victory in Europe with street parties, dancing and celebration. In honour of this historic landmark, it is proposed that Fleet echoes that celebration with a family friendly community event in Gurkha Square to be held on Thursday, 8<sup>th</sup> May 2025.

The experienced organisers of the Jubilee, Coronation, Fleet Christmas Festival etc. feel strongly that this momentous milestone should be remembered and that our community should be given the chance to come together in commemoration. They are therefore proposing an inclusive fun-filled day with local bands, choirs and singers to provide entertainment; displays of WW2 era vehicles; historic photographs of Fleet and the surrounding area; and stalls and activities for all ages.

Permission is currently being sought from Hart District Council for the use of the Gurkha Square Car Park for this event and any further organisation will be dependent on this permission being granted. All required event safety documentation is also being prepared for submission to the Safety Advisory Group.

PLEASE NOTE: Two additional events are already being planned for Fleet on the same day. A wreath laying ceremony in Gurkha Square at 11 am (which FTC is already supporting, in liaison with the Royal British Legion and the local parish) and a tour of local pill boxes (organised by HDC Countryside Services). The proposed VE80 Celebration Event organisers will liaise with the organisers of both these events.

#### **RECOMMENDATION**

That FTC supports the organisation and delivery of the VE80 Celebration Event.

#### 10. BASINGSTOKE CANAL

Cllrs Woods, Einchcomb and Schofield, alongside the Executive Officer, attended the inaugural Basingstoke Canal Annual Meeting on 19 February 2025 (annual report attached).

Fleet Town Council currently contributes £18,309 per annum toward the upkeep of the Basingstoke Canal, though this funding is provided without a formal agreement. During the

meeting, the Basingstoke Canal Strategic Manager, James Taylor, announced plans to establish Service Level Agreements (SLA) with riparian partners (*copy attached*). The SLA outlines the expectations and commitments of each partner within the partnership.

#### **RECOMMENDATION**

To consider whether Fleet Town Council wishes to formalise its funding for the upkeep of the Basingstoke Canal through a Service Level Agreement.

#### 11. CPR TRAINING

There has been significant media coverage recently encouraging people to undertake CPR training. With the recent discussions about defibrillators in our area, including those on the high street, it is proposed that FTC, in collaboration with St John Ambulance (SJA), facilitate CPR training sessions at The Harlington for residents. Given FTC's active involvement in the Covid vaccination programme, this initiative aligns with our commitment to public health and community well-being.

Each year, SJA runs campaigns to highlight how accessible and impactful CPR training can be. The organisation regularly engages with community and youth groups in diverse venues, such as church halls and shopping centres, to promote awareness. For example, the local SJA branch recently partnered with the organisers of the Fleet Christmas Festival to provide a first aid post in the Hart Shopping Centre, fostering valuable public engagement. Strengthening this connection through a series of training sessions at The Harlington would not only reinforce FTC's commitment to life-saving skills but also enhance The Harlington's role as a key community hub.

#### **RECOMMENDATION**

That FTC supports the organisation and delivery of CPR training at The Harlington.

#### 12. HARLINGTON UPDATE

To receive an update from the Chairman on the:

- Harlington Lease
- Business Plan
- HCC/HDC/FTC sub-lease

#### **RECOMMENDATION**

  - Church Road pothole repairs scheduled for next week.
  - Upper Street resurfacing works scheduled for next week.
  - Hitches Lane work on the crossing scheduled for later this month. Once completed, resurfacing works will commence. New sewer pipes will be laid at a later stage and surface will be reinstated afterwards. There is a Residents Meeting scheduled to discuss what is happening at Hitches Lane – everyone is welcome to attend.
- Devolution not all applications were approved by the Government. There is support from all parties for Hampshire to be involved in the devolution and local government reorganisation processes.

Councillor Woods asked about Albert Road being closed when Upper Street works commenced. Cllrs Forster responded that Albert Street would only be shut when needed, so should be open most of the time.

Councillor Holt asked for further details on the Church Road works. Cllr Forster said he believed the permit was from 12 February and that the works were scheduled to take two days.

There was a fire evacuation at this point in the meeting. Cllrs Forster and Parker did not return to the meeting once meeting recommenced.

#### FC FEBRUARY 2025 ITEM 6

#### **MINUTES OF PREVIOUS MEETINGS**

The minutes of the Town Council meeting held on 8<sup>th</sup> January 2025 were approved and signed by the Chairman.

The Council received and noted the minutes of the following Committees:

Development Control

13th and 27th January 2025

#### FC FEBRUARY 2025 ITEM 7

#### FINANCIAL MONITORING REPORT

Members noted receipt of the bank reconciliation and a list of payments for December 2024.

Councillor Stanton confirmed that the bank reconciliation and list of payments for December 2024 have been verified and signed off against the original bank statement.

#### **RESOLVED**

- 1) To receive and accept the bank reconciliation and list of payments for December 2024.
- 2) To accept the statement from Councillor Stanton that the bank reconciliation and list of payments for December 2024 have been verified and signed off.

#### FC FEBRUARY 2025 ITEM 8

#### **CREDIT CARDS**

The Council's <u>credit card policy</u> has set an overall limit of £6,000 and a maximum of 5 card holders.

In accordance with this policy, the Executive Officer requested approval to amend the credit card allocations as follows:

Officer	Current Limit	Proposed Limit			
Executive Officer	Nil	£1,500			
Harlington General Manager	£2,000	£1,500			
Senior Duty Manager	£1,500	£1,000			
Facitlies & Open Spaces Manager	£1,500	£1,000			
Project & Committee Officer	£1,000	£1,000			
Total	£6,000	£6,000			

Members considered the allocation of credit cards and limits for each Officer and authorised the limits to be amended as proposed.

#### FC FEBRUARY 2025 ITEM 9 GRANT APPLICATION

Members considered the application for grant funding from Cllr Willcocks on behalf of Ancells Farm parents for up to £3,925 to cover the cost of running a school bus to the end of the 2024/25 school year.

Members noted the update from Cllr Willcocks that Hart District Council had no grant that this application met the criteria for so the full £3,925 was being requested. Cllr Willcocks also informed members that HCC couldn't take different payments from parents.

#### **RESOLVED**

Members considered the application awarded the £3,925 subject to the following conditions:

- This grant is an exceptional, one-off contribution, given the historical understanding that a school bus service would be provided due to the absence of a school being built when the Ancells Farm development was built.
- Hampshire County Council has had to withdraw from providing non-statutory school bus places due to financial pressures. The current funding arrangement, as agreed with Hampshire County Council, applies to this school year only.
- Fleet Town Council will act as the collecting agent for all agreed contributions and will
  make payment to Hampshire County Council once the full amount has been
  received. If the full amount is not collected, all received contributions will be refunded
  to the original payers.

Members noted that there was insufficient budget within the Grants cost centre to meet the full amount of the grant and determined that the remaining grants budget should be used with the shortfall coming from General Reserves.

Cllr Collett left the meeting at the end of this item.

#### FC FEBRUARY 2025 ITEM 10

#### STANDARDS AND CONDUCT CONSULATION

Members noted that the government is seeking views on proposals to introduce measures to strengthen the standards and conduct regime for local authorities in England. The proposals being consulted upon include:

- The introduction of a mandatory minimum code of conduct for local authorities in England
- A requirement that all principal authorities convene formal standards committees to make decisions on code of conduct breaches, and publish the outcomes of all formal investigations
- The introduction of the power for all local authorities (including combined authorities)
  to suspend councillors or mayors found in serious breach of their code of conduct and,
  as appropriate, interim suspension for the most serious and complex cases that may
  involve police investigations

- A new category of disqualification for gross misconduct and those subject to a sanction of suspension more than once in a 5-year period
- A role for a national body to deal with appeals

Members authorised the Executive Officer to submit on the Council's behalf that they believed a single uniform Code should apply across the country.

#### FC FEBRUARY 2025 ITEM 11

#### **INTERNAL AUDITOR REPORT**

Members considered the report from the Council's Internal Auditor, Mulberry Local Authority Services Ltd, on an interim internal audit conducted on 10 January 2025 for the 2024/25 financial year.

Audit Point	Audit Findings	Proposed Council Response
I. BANK AND CASH	It is clear the council has a robust system in place to complete these key internal control checks, however I recommend the council amends its Financial Regulations to include reference to the bank reconciliation process and suggest using the NALC model Financial Regulation 2.6 as a basis for this, which states 'At least [once in each quarter], and at each financial year end, a member other than the Chair {or a cheque signatory} shall be appointed to verify bank reconciliations (for all accounts) produced by the RFO. The member shall sign and date the reconciliations and the original bank statements (or similar document) as evidence of this. This activity, including any exceptions, shall be reported to and noted by the council {Finance Committee}.	Agreed.  Proposed wording to be incorporated in the Financial Regulations:  Every month a member who is not a signatory to the bank account shall verify the bank reconciliations for all accounts. The member shall sign and date the reconciliations and the bank statements as evidence of this. This activity, including any exceptions, shall be reported to and noted by Full Council.

- a) Members considered the findings and recommendations outlined in the Internal Auditor's report and thanked Officers (particularly the Finance Manager) for their work that contributed to such a good report.
- b) Members to agreed to amend the Financial Regulations as proposed.

#### FC FEBRURAY 2025 ITEM12

#### **GROUNDS MAINTENANCE CONTRACT**

Members noted that the Facilities and Open Spaces Manager (FOSM), in collaboration with the Parks & Open Spaces Working Group, is in the process of rewriting the grounds maintenance contract to facilitate a tendering exercise. While it was initially planned to complete the tendering process in time for the new contract to commence at the start of the financial year, the Working Group has taken the opportunity to conduct a comprehensive review of the contract's structure. This has extended the time required to finalise the tender documentation. As a result, the original timeline may no longer be achievable, and the FOSM is seeking approval to extend the existing contract by up to three months.

#### **RESOLVED**

Members authorised the extension of the current Grounds Maintenance Contract by 3 months.

#### FC FEBRUARY 2025 ITEM 13

#### **ANNOUNCEMENTS**

Members received and noted the following announcements:

- The Fleet Town Football Club lease is completed with both parties having signed as of 5 February 2025.
- The Gurkha Square Car Park lease was signed by Fleet Town Council on 24
  January 2025 and submitted to HDC. A completed lease has not been received from
  HDC.
- The Executive Officer met with Emily Farnham on 30 January 2025 to discuss whether FTC is interested in developing a Digital Town Hub. The EO will arrange an online presentation for Members on this initiative.

#### DATE AND TIME OF NEXT MEETING

The next meeting of the Council is scheduled to be held on Wednesday 5<sup>th</sup> March 2025 at 7pm in The Harlington.

#### **CONFIDENTIAL ITEMS - CLOSED SESSION**

The Chairman stated that the following items for discussion relate to the engagement and terms of service in relation to employees and terms of tenders, and proposals and counterproposals in negotiations for contracts.

#### **RESOLVED**

#### FC FEBRUARY 2025 ITEM 15

#### **GROUNDS MAINTENANCE TENDER**

Members received an update on tendering the grounds maintenance contract.

#### **RESOLVED**

Members resolved to delegate the finalisation of the tender documentation to the Parks and Open Spaces Working Group.

#### FC FEBRUARY 2025 ITEM 16 HARLINGTON UPDATE

Members received the following update from the Chairman:

Members were reminded by the Chairman that it was previously agreed that the Harlington Lease, the land swap and the HCC/HDC/FTC sub-lease were to be signed concurrently. There is no legal requirement to do so but it was thought it would be expedient. However, whilst the Harlington lease has been agreed by all parties, neither the land swap transaction nor the HCC/HDC/FTC sub-lease are in a position to be signed. Therefore, the Chairman seeks Council authorisation to sign the agreements consecutively as they become finalised.

As stated above, the Harlington lease has been agreed. As the lease falls outside the Landlord & Tenancy Act, Fleet Town Council must formally acknowledge that it understands that there is no automatic right of renewal at the end of the lease period before it can sign the lease document. There are two paths the Council can take – a simple declaration which requires a 14 day stand down period or a statutory declaration in front of a Notary that once signed means the lease document can be immediately signed. The Chairman seeks Council authorisation to proceed with a Statutory Declaration and for either the Chairman or the Executive Officer to sign the declaration on behalf of the Council.

The draft HCC/HDC/FTC sub-lease has been reviewed by the Chairman, Executive Officer and the Council's solicitors. Whilst the main lease is between HCC and HDC meaning FTC do not have much influence regarding any of the clauses being changed, nothing was identified in the review that causes the reviewers any concern. The Use Classes mirror the Harlington lease and the access right of the Library have been addressed. The Chairman seeks Council authorisation to sign the sub-lease once received, on the condition that there are no substantive changes to the draft document already reviewed. The lease is to be signed in accordance with Standing Order 16.

The Chairman seeks Council authorisation to proceed with the land swap and for the transfer to be signed in accordance with Standing Order 16.

Members were advised that in relation to the Air Source Heat Pump, that the PSDS technical assessment had identified that due to the scale and complexity of the installation, it was not feasible to achieve the grant funding deadlines. The project would also require significantly more HDC funding (£1.4m). As a consequence, HDC took the decision not to proceed with the project.

The Chairman, Executive Officer and General Manager of the Harlington meet online with the business plan consultants to receive their initial findings. The presentation concentrated on macro elements and the consultants will now develop specific considerations for the Harlington.

Members resolved to authorise the following:

- The Harlington Lease, the land swap and the HCC/HDC/FTC sub-lease be signed consecutively as they become finalised.
- That either the Chairman or the Executive Officer sign a Statutory Declaration that Fleet Town Council understands that there is no automatic right of renewal at the end of the lease period.
- That the contract with Burrell Foley Fischer for design architectural services be signed once the Harlington Lease is signed.
- The HCC/HDC/FTC sub-lease be signed in accordance with SO16 subject to there being no substantive changes to the draft document already reviewed.
- The land swap transfer documentation be signed in accordance with Standing Order 16.

The meeting closed at 8:36pm.

#### CHRISTMAS LIGHT CONTRACT EXTENSION

Fleet Town Council entered into a three-year contract with Festive Lighting Limited for the supply and installation of the town's Christmas light decorations. The contract included an option to extend for a further two years.

The December 2024 display will mark the conclusion of the initial three-year term, and Officers seek approval to extend the contract for 2025.

Officers propose an adjustment to the existing scheme. Specifically, the cross-street motif at the Oatsheaf intersection would be removed due to concerns regarding the structural integrity of the buildings supporting the lights. Additionally, Officers will request inspections of the mounting points for other cross-street motifs to ensure they can safely bear the weight of the decorations. Any necessary adjustments to the scheme will be made based on the outcome of these inspections.

Members remarked that it would be good if the Fleet BID could extend the lighting scheme down to the train station.

#### **RESOLVED**

- a) To approve the extension of the Christmas Light contract for two years.
- b) Councillor Stanton to liaise with the Projects & Committee Officer to review the elements of the scheme.
- c) Members would like to view the lighting options for 2025 prior to a decision being made as to which option to proceed with.

#### **RESOLVED**

#### PF FEBRUARY 2025 ITEM 11

#### **NEW POLICY - STRESS IN THE WORKPLACE**

Members noted that the Council has a legal duty under the Health and Safety at Work Act 1974 to protect the health, safety, and welfare of employees, including their mental wellbeing. Work-related stress is recognised by the Health and Safety Executive (HSE) as a significant risk to both individuals and organisations, contributing to absenteeism, reduced productivity, and potential legal claims. Implementing a clear and practical policy ensures compliance with health and safety regulations, reduces organisational risk, and supports a positive working environment.

The Stress in the Workplace policy provides a pragmatic framework to help managers and staff identify and mitigate workplace stress effectively. It sets out clear responsibilities while aligning with existing health and safety procedures, avoiding duplication. The focus is on prevention and early intervention, ensuring the Council takes reasonable steps to reduce stress-related issues before they escalate.

#### **RESOLVED**

Members approved the Stress in the Workplace Policy.

#### PF FEBRUARY 2025 ITEM 12

# ANCELLS FARM COMMUNITY CENTRE PRICING STRUCTURE

# DEVOLUTION / LOCAL GOVERNMENT REORGANISATION

The Minister of State for Local Government and English Devolution has issued a statutory invitation to all councils in two-tier areas and small neighbouring unitary authorities to develop proposals for unitary governance. This would involve combining lower- and upper-tier local government services into new unitary councils.

A letter from the Minister has been issued to Hampshire, Isle of Wight, Portsmouth, and Southampton.

#### Letter: Hampshire, Isle of Wight, Portsmouth and Southampton - GOV.UK

Councils have been asked to submit interim plans on or before 21 March 2025. At this stage, the details of these interim plans and their potential impact on town and parish councils remain unclear.

#### **RESOLVED**

Members resolved to keep a watching brief on this matter.

#### PF FEBRUARY 2025 ITEM 14

- The consultant engaged to work on The Harlington business plan died unexpectedly on 17 February 2025. How to progress the project has not been established as yet.

- Basingstoke Canal Cllrs Woods, Einchcomb and Schofield, along with he Executive Officer, attended the Annual Meeting. The following clarifications / information was gained:
  - Concerns over the sustainability of the Basingstoke Canal Authority were discussed. As Landowners, HCC and SCC have a statutory duty to maintain the canal under the Wildlife & Countryside Act and due to 80% of its length having SSSI status. Both Councils must therefore always provide the necessary funds to achieve the minimum statutory standard required.
  - The Basingstoke Canal Authority have an SLA for their riparian partners. This SLA is not tailored for each partner but instead a generic agreement of what partners contributions help support.
  - The Basingstoke Canal Authority do not set the contribution levels. Contribution levels are set by the partners. The Basingstoke Canal Authority did request partners increase their contribution by inflation each year.

5	25/00088/HOU Pinewood Gough Road Fleet Hampshire GU51 4LJ Erection of a single storey rear extension, first floor side and two storey front porch extension with raised ridge and flat roof section and alterations to fenestration. Comments required by 10 February
	<ul> <li>This has to be read in conjunction with 25/00089/HOU whereby the proposed garage enlargement with residential over matches the architectural style of this proposal and not the existing structure which is of an exceptional architectural style.</li> <li>The existing property is unique and out of character with the majority of properties in the NFCA Character Area 5.</li> </ul>

- The proposed finishes to the property are not in keeping with the character of the conservation area.
- Need additional trees and planting for screening.
- The Heritage Report is the same one shared with 25/00089/HOU which ignores Fleet Neighbourhood Plan Policies 10 and 16 and generally ignores the NFCA Character Appraisal and Management Proposals.

Para 7.2 Maintaining the existing buildings and their plots

- -The need to prevent unsympathetic changes to the existing houses such as oversize extensions or changes to the elevations and details
- -The architectural value of the existing dwelling is not known, but it is unique and the style will be completely lost.
- Fleet Neighbourhood Plan Policy 16 NFCA states:
   Development shall retain the architectural features of the existing buildings and extensions shall complement and reinforce the character of the principal building.

The proposal breaches all guidelines - OBJECTION

#### 25/00063/HOU

Beeches Waverley Avenue Fleet Hampshire GU51 4NW

Erection of a replacement porch, render over brickwork, installation of new windows and doors, conversion of attached garage into habitable accommodation to include the replacement of the garage doors to front with windows, the alterations of the windows to the rear and the insertion of a door to the side and erection of single storey front and rear extensions

Comments required by 10 February

- Property sits within NFCA Character Area 8.
- Proposal is to update a relatively bland brick built structure to a grand white rendered coloured roofed structure with a large hardstanding area to the front. The design is very American but style and the white render is out of character in the area.

NFCA Character Appraisal and Management Proposals at para 7.2 Maintaining the existing buildings and their plots:

- -The need to prevent unsympathetic changes to the existing houses such as oversize extensions or changes to the elevations and details.
- -The protection of front gardens including resistance to the creation of parking areas.
- The loss of the garage will require more onsite parking 5 bedrooms require 4 spaces.
   Room on site but requires extensive hard standing.
- Breaches Fleet Neighbourhood Plan Policies 10 and 16

Does complete change in character of the property preserve or enhance the character or appearance of that area? (NFCA Character Appraisal and Management Proposals para 1.3)

Pinewood Gough Road Fleet Hampshire GU51 4LJ

<u>Erection of a replacement garage with extra bay and habitable accommodation</u> at first floor.

Comments required by 10 February

- Heritage statement totally ignores the existence of the Fleet Neighbourhood Plan and in particular Policy 10 and 16.
- This is a significant additional structure of 10.5 x 7 x 6m high. Over 70m<sup>2</sup> living space. This is the equivalent of a bungalow and could readily be independent living accommodation.
- The proposed style of the development matches the Application proposals in 25/00088, but is completely out of character with the existing dwelling.
- If approved the two trees indicated for removal should be replaced with established young trees (not whips) and front and side boundaries should be reinforced with additional planting to retain the sylvan character of the road and reduce the visual impact of the second dwelling.
- If approved there should be a condition that use is for occasional occupation only and not a second dwelling.

## Comments required by 18 February Massive increase in bulk and mass of building. More the appearance of small terrace than a detached property. Side extension with external access has the ability to become a separately accessible • 5 bedrooms will require 4 parking spaces. Even separation of parking promotes separate dwelling.
