### **AGENDA**

### 1. APOLOGIES

Schedule 12 of the LGA 1972 requires a record to be kept of members present, and that this record forms part of the minutes of the meeting. A resolution must be passed on whether the reason(s) for a member's absence are acceptable.

# 2. DECLARATIONS OF INTEREST

Under the Local Authorities Localism Act 2011, members must declare any interest and the nature of that interest, which they may have in any of the items under consideration at this meeting.

Members are reminded that they must disclose both the existence and the nature of a personal interest that they have in any matter to be considered at this meeting. A personal interest will be considered a prejudicial interest if this is one in which a member of the public with knowledge of the relevant facts would reasonably regard as so significant that it is likely to prejudice the members' judgement of the public interest.

3. QUESTIONS FROM THE PUBLIC (3 min per person maximum 15 minutes)
To receive questions and statements from members of the public.

### 4. MINUTES OF THE PREVIOUS MEETING

To receive and approve as a correct record the minutes of the RLA Committee held on Wednesday 19<sup>th</sup> June 2024 (*copy attached*).

# Part 1 - ITEMS FOR DECISION

### 5. THE CEMETERY CLERK'S REPORT

### **RECOMMENDATION**

To note the report.

### 6. THE HARLINGTON AND ANCELLS FARM COMMUNITY CENTRE REPORT

To receive for noting an update on events, hiring's and operational activities of The Harlington and Ancells Farm Community Centre from the General Manager (*copy attached*).

# **RECOMMENDATION**

To note the report of the General Manager.

### 7. NO MOW MAY

To consider whether to implement a No Mow May regime for the Council's open spaces.

The idea behind No Mow May is that selected areas of open spaces would be left to grow for the entire month of May, thus allowing grass to grow long. There are pros and cons to No Mow May.

### Pros -

- Wildflowers to thrive within the long-grassed areas.
- Longer swards make rich habitat for invertebrates and generate a source of food for insect-eating birds and may contribute greater to biodiversity.

### Cons -

- May be counterproductive to create a wildlife habitat and then chop it down.
- Some residents may dislike the aesthetic of what is essentially an overgrown lawn.
- Leaving grass to grow long and then cutting back may result in patches between grass shoots which may result in the need for over seeding with grass seed.

# **RECOMMENDATION**

To consider the Pros and Cons of No Mow May and decide if the Council would like to implement this.

### 8. CALTHORPE PARK TENNIS COURTS

A Member of the public commented that the tennis courts would benefit from a wind break and gave a low-cost solution of a plastic banner. However, given this Council's commitment to being sustainable and its Greening Campaign, a possible long-term solution could be planting a windbreak. Possible plants can be found on the following link:

# Windbreaks and shelterbelts / RHS Gardening

As this option is more costly than the banner, the Council could consider applying to the Hart District Council biodiversity grants (Countryside grants scheme | Hart District Council).

# **RECOMMENDATION**

To consider installing a natural windbreak at Calthorpe Park Tennis Courts.

# 9. CALEBS COFFEE BUILDING FRONTAGE SOAK AWAY AND DRAIN WORKS

The cycle path and frontage to Calebs Coffee Shop in Calthorpe Park is continuing to flood during heavy rain fall. Attempts have been made to mitigate the problem such as raising the frontage, putting in antiflood devices and increasing the size of the soakaway, with no success.

An option has been presented to install an overflow pipe which would run from the inground soakaway to the neighbouring foul sewer line and take any overflow away. This option would be dependent on approval from Thames Water to install the overflow pipe. The cost to Fleet Town Council would be approximately £3,525 +VAT.

### RECOMMENDATION

To consider the installation of an overflow pipe from the soakaway in Calthorpe Park.

### 10. TABLE TENNIS VANDALISM

During April 2024 the Table Tennis in Calthorpe Park was vandalised. A repair / replacement of half the table was made at the cost of £1,240. After this repair, in May 2024, further damage was done at an estimated cost of £925. Before this repair could be made, the table was damaged further forcing Officers to have it removed from site.

The table tennis has not yet been replaced, waiting for this Committee to consider at what level of cost and how many instances of vandalism make replacing this piece of equipment unviable.

### RECOMMENDATION

To whether to replace the table tennis at Calthorpe Park.

# 11. MUSIC ON THE VIEWS

To consider the report from Cllr Tilley on the Music on the Views event held on 25<sup>th</sup> August 2024.

# **RECOMMENDATION**

To note the report.

# Part 2 - ITEMS TO NOTE

### 12. ANNOUNCEMENTS

To receive any announcements from the Executive Officer.

# 13. HAMPSHIRE FOREST PARTNERSHIP - COMMUNITY ORCHARD GRANT

The community orchard grant application has been approved. An order for a mixture of 92 trees, will be placed once dates are confirmed for planting. Additionally, there will also be around 200 "whips" (trees approx. 50cm tall), various information boards and approx. 400m2 worth of wildflower seed.

The locations for planting will be -

Ancells Farm Orchard Corner – Amenity land on the corner of Ancells Road and Minley Road.

Ancells Farm Central Orchard – Located by the old parking area, rear of the Falkners Arms. The Views – Lower Field.

Calthorpe Park – Central strip in the centre, enhancing pre-existing trees.

### 14. EDENBROOK PLAY AREA SURVEY

Following the results of the recent public survey which revealed what local residents would like to see in the parks and which parks they would like the council to focus on, a secondary survey is being put together to ascertain more details from the results.

The survey will give more detail to residents about the cost ranges of the equipment they asked for along with funds available and give options as to how they would like to see the funds spread across the two parks.

# 15. ROSPA REPORTS

ROSPA inspections have been completed on all FTC owned play equipment. Items which fall under the Grounds Maintenance Contract will be omitted from the list of remedies before being sent out to Play Park Contractors for quotes.

A hard copy of the report is available to view at the FTC office upon request.

# RLA JUNE 2024 ITEM 8 THE HARLINGTON AND ANCELLS FARM COMMUNITY CENTRE REPORT

Members received the report from The General Manager of the Harlington and Ancells Farm Community Centre.

Members noted that the year end result referred to in the General Overview referred to the 2023/24 financial year and not 2022/23 as stated in the report.

At the request of Members, the Harlington General Manager confirmed that Fleet Town Council reimbursed the Ancells Management Company for the Council's proportion of the management company's claimed expenses in 2023/24 of £6,000 and that £7,500 has been budgeted in 2024/25.

# **RESOLVED**

Members resolved to note the report.

### RLA JUNE 2024 ITEM 9 FACILITIES AND OPEN SPACES MANAGER'S REPORT

Members received the report from the Facilities and Open Spaces Manager.

Members noted that only two of the five boilers servicing The Harlington are currently operating and that there is a significant risk that the remaining two could fail due to their age and the inability to source parts required for maintenance. Members further noted that whilst the issue of energy supply would be addressed within the refurbishment project, an intermediary solution may be required.

Members queried the requirement to plant five trees to replace one tree with a Tree Protection Order.

#### **RESOLVED**

Members resolved to note the report.

Members further resolved that once the Design Architects have been appointed, the boiler issue should be raised as a priority issue for guidance regarding resolution.

Members instructed the Facilities and Open Spaces Manager to challenge Hart District Council's requirement to plant five trees to replace one tree with a TPO.

Members have requested that Officers develop a comprehensive Playpark Strategy. This strategy should encompass short-term, medium-term, and long-term funding requirements, as well as detailed options for the maintenance and replacement of play equipment. The completed strategy should be presented to this Committee for review.

# RLA JUNE 2024 ITEM 12 HARLINGTON FIRE DOOR ASSESSMENT

Members received the report from the Facilities and Open Spaces Manager on the results of the recent Fire Door Inspection performed by Woodstock Security in response to a recent Fire Safety Risk Assessment.

Members noted that replacement of all fire doors would not make the building safer due to the combustible nature of the construction materials used throughout the building and the inherent design of the building. The primary concern of the Council was public safety.

# **RESOLVED**

Members agreed that the issues with the fire doors and overall fire safety of the building would be addressed within the refurbishment project. Meanwhile, the frequency of fire evacuation drills would be increased from the minimum two per annum to ensure public safety.

# RLA JUNE 2024 ITEM 17 DATE AND TIME OF NEXT MEETING

Signed:	Date
Chairman	

DATE: RLA meeting 18th September 2024

**OFFICER:** Alex Robins – General Manager

**REPORT COVERING: June - August 2024** 

# 1. General overview

The quieter summer period has just finished, and the busy Autumn period is just launching. To date, all is looking to be on course, with the next four months shaping how the budget will end up. It was unfortunate to lose a show during June which had sold well, due to personal reasons. It has been re-scheduled for later in the year though. A lot of the team's focus during the summer has been on establishing Fleet's first music festival on The Views together with the enthusiastic committee, which proved to be to a very high standard and received a lot of very positive feedback. Now it's time to focus on The Harlington's most crucial period of the year. The team will be operating without its Marketing and box office manager for up to a year from early October due to maternity leave, so the officer will be supporting the team, who will be taking on a big responsibility as best as possible in her absence.

**RECOMMENDATION: FOR NOTING** 

# 2. Hall hire

Hires are remaining consistent, although the regular Wednesday Rock Choir group gave notice over the summer that they wouldn't be returning. We believe this to be a decision by the new choir leader who's recently taken over. Rock Choir head office were very complimentary about the venue and service they've received over the years and have since attempted a couple of ad hoc bookings for choir leader training, which unfortunately couldn't be accommodated.

Fleet Rock Orchestra have become a new booking, currently only on an ad hoc basis, however, they like the set up of the venue, so there may be an opportunity to do more in the future. Meanwhile, demand for use of the dance studio, particularly during evenings is high, with the ballet teacher regularly asking for additional available evening slots, whilst Funtime are working hard to increase pupil numbers and, in turn, add classes to their current roster.

# 3. Ticket Sales

Financial successes (over £1,000) June/July/August (based on net ticket sales v performance costs)

90's Rewind - £4,400 contribution Money For Nothing - £1,700 contribution Jazz Club x 2 - £1,500 contribution Ratrace - £1,350 contribution Cheesy Bingo - £1,000 contribution

<u>Financial losses June/July/August (based on net ticket sales v performance costs)</u>
None

# 4. <u>Bars</u>

➤ Bar sales are slightly ahead of target by approximately £2k, which is particularly promising given the loss of a show during the period. The Harlington ran a bar in conjunction with the Lions for Music on the Views, which was successful and gave a good idea of demand for any possible future events. The partnership worked for both parties in that all stock could be bought through The Harlington and volunteer staff could be provided through the Lions, allowing costs to be kept to a minimum. Naturally providing an outdoor bar without a full outdoor set up does create hurdles and add to set up costs, but the event proved it was viable.

# 5. Ancillary sales (Confectionery, Ices, Snacks, Merchandise)

Ancillary sales are ahead of target by £500, with snacks in particular generating good sales.

# 6. Ancells Farm Community Centre

Income is exactly where it should be, with costs currently lower than budgeted for. There are a couple of maintenance repairs just signed off which will add £500 to building maintenance for a replacement internal fire door and repairs to the patio.

This was Fleet's first music festival and, as such, had no track record to encourage early booking or photographs from previous years to use for marketing. We were, therefore, approaching this from an unproven position.

Working closely with The Harlington team, a small group of volunteers came together to design, organise and manage the event on behalf of Fleet Town Council. As legislation around the safety aspects of running public festivals is getting more and more complex, we employed an Event Safety Officer to help us ensure that we covered all bases. Cancellation insurance was also taken out to protect the Council against losses due to adverse weather and terrorism.

We instigated a low price for the initial tickets in order to encourage sales and to launch the marketing campaign. We were aware that there were upfront costs that would have to be met, e.g the securing of the stage hire and the musicians, and this was one way to get people to purchase early and to not procrastinate whilst waiting for the weather forecast! This helped with the early costs and was accompanied by significant website presence and social media posts for which we thank the Harlington Marketing team. Prices were advertised at a higher price for the few days prior to the event for practical reasons as we were not keen to sell tickets on entry (because of the delays this might cause and the security aspects of potentially having cash to deal with). Around 700 people attended on the day and there were many family groups enjoying some great musicians. We restricted the number of food stalls we allowed as people were able to bring their own food and drink (in non-glass containers) and we did not want our local stallholders (who kindly supported us) to be discouraged by low sales. The social media posts were almost exclusively positive, although there were some comments about the cost of the tickets on the day. There will be a wash-up meeting on the 24<sup>th</sup> September which will cover this aspect and other lessons learned. We had 2/3 complaints about noise levels which we will ensure we monitor closely next time.

Financially, the clear indications are that we have more than covered our costs and will have a small contribution ready for a second performance! A fully detailed financial breakdown will be available once ticket sales have been finalised. The Council is, therefore, at no financial risk and we thank all Councillors and officers for their support and also thank our other sponsors — Hampshire County Council, Church Crookham Parish Council, Hart District Council, Fleet BID, KJM Salons, Kirk Rice Financial Advisers for their contributions. A special thanks to Hart's Climate Change team who sponsored the environmental wristbands and the recycling bags used on the day and, of course, to our own FTC team who worked hard to make the day a success and to keep the Council and The Harlington at the front of our community's mind! Sincerest gratitude must go to the small number of volunteers who made up the Committee as well as those other volunteers who helped so much on the day.

We look forward to the Council's support to enable Music On The Views to become a major player in Fleet's event calendar.
