The Friends of Basingbourne Park informed members that heathland areas are not as wet as they have been in the past and that it is necessary to try and divert the water. The Environmental Agency review suggested slowing down the flow of water and so the Friends of Basingbourne Park have installed some leaky dams in the area. The Friends of Basingbourne park representative asked if the leaky dams can be kept in place?

Members advised careful observation of the impact of the measures. Particular attention should be paid to the effect of the leaky dams on tree roots and the impact on ecology. The measures need to be surveyed and to confirm that there will be no adverse impact. Hart District Council Rangers have previously indicated that they may be able to assist with advising on this matter. Officers could also contact Hart District Council's flood resilience officer.

## REPORT COVERING: March - May 2024

#### 1. General overview

2022/23 produced a better-than-expected result with The Harlington and Ancells Farm Community Centre between them finishing £65,500 ahead of budget on income, breaking the £500k income barrier for the first time, and with only a £7,000 overspend on expenditure. The net result was a £58,000 surplus against budget. The budget was set with a cautious approach due to a very gradual increase in sales post-Covid, and much of the income improvement came over the second half of the year, with a sudden increase in ticket sales, resulting in additional bar income too.

The new financial year has continued the trend of positive income. The usual slow down heading into the summer is evident, but this is a standard pattern and expected industry wide.

## **RECOMMENDATION: FOR NOTING**

## 2. Hall hire

Although hall hire fell slightly short of budget, it had been projected to finish the year with a lower income. Work has been put into promoting hires at both The Harlington and Ancells Farm, with greater numbers of enquiries proving awareness is spreading. The majority of those are for private party hires at popular times which can't often be accommodated, however, some have been converted into bookings, with hire income benefitting. Ancells Farm managed a surplus of more than 10% above the budgeted figure on hall hires.

## 3. Ticket Sales

<u>Financial successes (over £1,000) March/April/May (based on net ticket sales v performance costs)</u> Guns 2 Roses - £3,650 contribution Abba Fever - £3,100 contribution John Lydon - £2,700 contribution The Jam'd - £2,200 contribution Jazz Club x 3 - £1,650 contribution Genesis Connected - £1,500 contribution Comedy Club x 3 – £1,200 contribution Rock For Heroes - £1,200 contribution The Ultimate Tribute Show - £1,050 contribution From Gold to Rio - £1,000 contribution

<u>Financial losses March/April/May (based on net ticket sales v performance costs)</u> Johnny Cash Roadshow - £600 loss

# 4. <u>Bars</u>

High ticket sales in the second half of last financial year helped bar sales to finish ahead of budget, although the bars performed exceptionally well to finish so strongly in their own right. With a surplus of £36k, the team have produced an excellent result and the highest income to date.

The current financial year has started well and sits a few hundred pounds above target at the end of May.

The bars rely on high numbers of customers through the doors, but also on good management and teamwork to hit the high figures. With ticket sales currently looking strong, together with a great team, everything is looking positive at the present time.

# 5. Ancillary sales (Confectionery, Ices, Snacks, Merchandise)

All ancillary targets were exceeded for the last financial year, with costs on target. Sales through April and May are currently ahead of target by a small amount.

# 6. Ancells Farm Community Centre

Income finished the year over 10% ahead of target, however utilities and building maintenance costs were higher than budgeted meaning the bottom line was on target for the year.

The new financial year has started as it would be expected to.

## Wednesday 19th<sup>th</sup> June 2024

- OFFICER: Facilities and Open Spaces Manager (FOSM)
- DATE: 13<sup>th</sup> June 2024

## SUBJECT: General Report

## 1. Ancells Farm Community Centre

• The Community Centre Garden received unauthorized usage, which resulted in damage to some play equipment left out by the Pre-school.

## 2. Ancells Play Park

- All repairs to play equipment are now up to date, and all equipment is back in operation.
- One circular bench has been removed due to damage, and replacement option will be considered once funds become available.

## 3. Ancells Farm – Green Gym

• The Green Gym Induction Day took place on 11th May 2024. An instructor was onsite between 10 am and 12 noon to show people how to use the equipment safely and demonstrate additional uses for the equipment.

#### 4. Ancells Farm General

• A sinkhole has appeared along the central green lung in Ancells Farm. Thames Water has confirmed that the issue is not caused by their assets. The sinkhole is currently cordoned off to prevent access.

#### 5. Ancells Farm Pavilion.

• Nothing to report.

#### 6. Basingbourne

• Highways have carried out repairs on the most damaged parts of the track leading to the Lions Store, Scout Hut, and Girl Guides Hut. However, some areas still require remedial works. It is hoped that Highways will return shortly to complete the works. FOSM will follow up

## 7. Basingbourne Pavilion

- A replacement front door has been ordered and is expected to be installed within the next few weeks.
- Following several attempted break-ins, the door now needs a complete replacement.
- A new rear door has also been ordered, allowing side access to the Pavilion and including an emergency door release.
- Quotes are being obtained for repairs to the ceiling in the Pavilion toilets, which has collapsed. Options are being considered for replacing the ceiling with plasterboard/plaster or installing a drop-down ceiling instead. The drop-down ceiling option would cost around

£2660, including electrical lighting reinstatement, compared to approximately £3500 for plastering. The drop-down ceiling would be more cost-effective for future damage, requiring only new ceiling tiles instead of a full replacement. Options are still being reviewed.

- The toilets have been blocked off and users advised.
- The rest of the pavilion, along with the adjacent toilets, are still in use, and any faulty toilets have been repaired.
- The pavilion roof had a minor leak that caused the ceiling collapse in the male toilets. A new downpipe is being installed to prevent further water ingress.
- The "old bath" area of the pavilion, used as a storeroom for many years, has now been cleared out.

## 8. Calthorpe Park General

- An application is being submitted to Thames Water to connect an overflow pipe from the current soakaway adjacent to Calthorpe Park Pavilion to alleviate flooding issues around the front of the building.
- Expanding the soakaway has been considered, but it is believed this will not fully resolve the issue.
- Repairs have been carried out on the Ground Trampoline in the under-8's play area and the accessible roundabout.
- The Table Tennis table on the upper field has been repaired, with half the table replaced following vandalism

## 9. Calthorpe Park Tennis

• A fault in the tennis courts gates meant the gates were not functioning correctly. Repairs have been carried out.

#### 10. Harlington

- Boilers Following a recent service on the Harlington boilers, it was reported that further parts have now been discontinued. A common part called Thermocouples, used in the current boilers, has been discontinued. FOSM has ordered spare parts to keep on site to maintain the boilers.
- Out of the five boilers supplying both the library and The Harlington, two are working satisfactorily (boilers 1 & 2), and one is working intermittently (boiler 4) and requires regular maintenance. It now appears that boiler 4 is failing despite servicing and replacement parts.
- With careful management of the heat pumps and redirecting heat to areas where it is most needed, the final two boilers can be managed to ensure the building continues to operate normally until they can be replaced.
- FOSM is currently exploring options to bring boiler 3 back into use.

- The installation of a new bench in the Children's play area is due to be completed shortly.

# Continued from March RLA - The View Play Equipment / Skate Park Report

# Skate Park Background

The Parks & Open Spaces Working Group met again on the 13<sup>th of</sup> June 2024 to discuss the options for repairing or replacing the Skate Park either as a whole or in part, following recent ROSPA reports highlighting the decline in condition.

The Working Group agreed that the next steps should be to start gathering information and liaise with Fleet Phoenix and local skate & sport shops in Fleet to gauge the style of equipment young people would prefer.

FOSM will also be inviting play companies to come and give design ideas based on different prices ranges and styles of equipment.

Once information is collected, the next steps will be discussed with the Parks and Open Spaces Working Group to formulate a survey which will be focused on young people's views.

Initial costs to replace this one single unit would be in the region of £65,570.

## **The Views Play Area**

The current equipment has been there for around 40 years and is in need of updating.

FOSM will also be inviting play companies to come and give design ideas based on different prices ranges and styles of equipment.

Once information is collected, the next steps will be discussed with the Parks and Open Spaces Working Group to formulate a survey based on funds available.

Funding options have been discussed with the possibility of applying for S106 funding. Additional match funding may also be available.

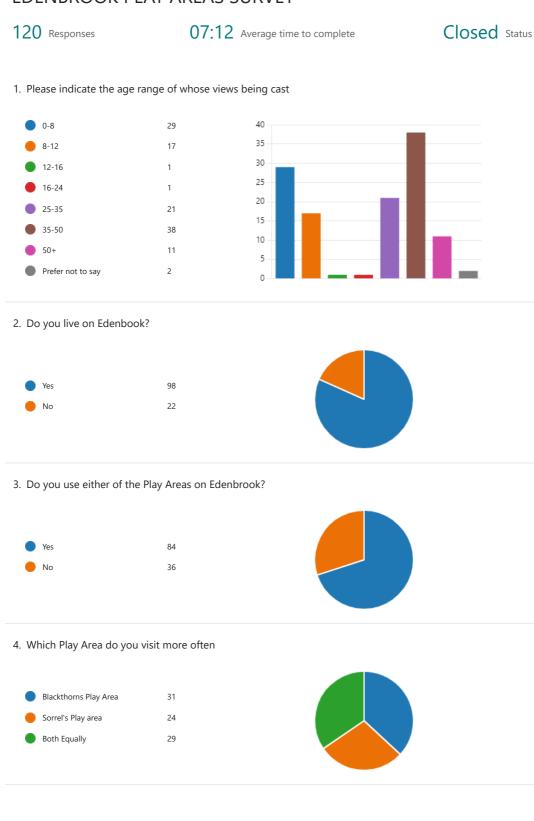

Playground earmarked reserves funding:

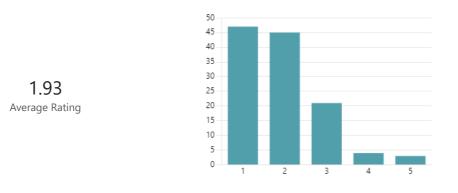

Current funds	£29,517
In year transfer to the EMR	£38,000
Agreed transfer from general fund to EMR	£60,000

- 9. What kind of equipment would you like to see In Sorrel's Play Area? The results for Sorrels are very similar to Blackthorns with the added element of **Tunnels and cable rides**.
