Annual Residents' Meeting - 11 March, 7pm

You are warmly invited to this year's Annual Residents' Meeting, at The Harlington, come and hear the Council's plans for the upcoming year and ask any questions you have.

As in previous years, there will be representatives from some of our community partners too.

We look forward to seeing you there. If you are unable to attend in person, copies of the presentation will be available on our website, www.fleet-tc.gov.uk after the event.

Fleet Town Council Budget & Precept 2025/26

Band D Precept
£131.27 per year /
£2.52 per week

Budget planning for the next financial year has been challenging due to the impact of central government's increases to employer National Insurance contributions and the anticipated inflationary impact that will have on indirect costs.

Careful money management and ensuring the best value for residents, means we are able to continue offering our full range of services to meet our vision for the town, and plan for the future.

Consequently, at the Council meeting in December 2024, the Council agreed that the precept will increase for the coming year by 36 pence per week for a Band D household. This represents excellent value for money for the range of public services, leisure and recreation facilities we provide for our residents.

Please see a summary of our expenditure and income for next year below. The full budget can be viewed on the Council's website.

Fleet Town Council's VISION FOR FLEET

A welcoming, sustainable, inclusive and environmentally ambitious town, looking to the future with a strong, healthy, active and diverse community, which responds positively to change.

The Council agreed its Vision in October 2023 and will deliver this by:

- Supporting our young people
- Supporting our vulnerable and elderly
- Providing ambitious opportunities for leisure, culture and wellbeing
- Being environmentally conscious and promoting green initiatives
- Promoting a safer environment for residents and businesses
- Delivering strong governance effectiveness and improved facilities
- Developing engagement and information sharing
- Generating wider social value for the town through partnerships

GREENING FLEET - 3 WAYS TO GET INVOLVED

- 1 Join the Greening Fleet Facebook group to discover eco-initiatives, share ideas, vote, and influence government actions.
- 2 Visit the Fleet Repair Café to have broken items fixed by skilled volunteers, reducing landfill waste and CO₂ emissions.
- 3 Volunteer to join a Greening Fleet Pillar group, whether it's thermal imaging teams or repairers, there's a role for everyone.

FLEET'S AWARD-WINNING PLAY PARKS

COMMUNITY PARTNERSHIPS How Civic Volunteering Complements Local Governance

Paul Einchcomb

As a councillor and member of the Friends of Basingbourne, I've seen how teamwork transforms our green spaces. While the council handles maintenance, infrastructure, and improvements, the friends of group brings the community together for events, fundraising, and restoration. Last year's trespass incident at Basingbourne Park tested this partnership. After the unauthorised encampment left waste and damage, the council acted swiftly to clear the area and ensure safety. The friends of group rallied volunteers to restore the park, adding final touches that helped it shine again. Together, we not only repaired the damage but revitalised the park, ensuring it remained a welcoming space for everyone. This collaboration didn't go unnoticed. Our joint efforts helped secure a Gold Award in the South & South East in Bloom awards, a testament to what we can achieve when the Council and community work hand in hand.

This success extends beyond Basingbourne. Ancells Farm, Calthorpe Park, Oakley Park, and The Views also received recognition, with a collective three Gold and four Silver Gilt awards. We are always pleased to see the growing number of 5-star Google reviews and hear about the personal experiences from our residents about the playparks. Your feedback means so much to us, please continue to share your thoughts and stories! To find out more about events and volunteering opportunities, follow the Friends of Basingbourne or Friends of Oakley Park online via their website or Facebook page.

GET TO KNOW, YOUR COUNCILLOR

What motivated you to join the local council?

12 years ago, I was inspired to join after my granddaughter was born with hip dysplasia (she's doing great now, at 18!). A local Councillor, Sharyn Wheale, who supported me at the time encouraged me to get involved, and I felt it was time to give back to our community.

What's your favourite thing about Fleet?

Fleet's welcoming, friendly spirit. I've lived here for over 40 years, and it's always felt like a safe and inclusive place to raise a family.

How do you stay Connected with the Community?

I'm actively involved in various projects, like Fleet Jazz Club and Fleet BID. I've helped organise events such as the Christmas Festival, Fleet Food Festival, Jubilee Celebrations, and the first-ever Fleet Music On The Views.

What has been the biggest highlight of your time at FTC?

The 4-day Jubilee celebrations really showcased the best of Fleet's community spirit. It was a true highlight, and I'm confident that even better things are to come!

Any advice for others who want to get involved in local issues?

Don't hesitate to join a local voluntary organisation! They're always looking for volunteers, and your contribution, even if small, can make a big difference. Plus, you'll gain a deeper connection with the community.

3 WAYS TO GET TO KNOW YOUR COUNCILLORS:

- Follow Fleet Town Council on Facebook and Instagram.
- Visit www.fleet-tc.gov.uk
- Come along to our Annual Meeting or Councillors' Coffee Morning.

Festival Thanks

Thank you to everyone who supported the Fleet Christmas Festival, it was another fantastic turnout! The Grotto, run by Funtime Dance and hosted in The Harlington, raised an impressive £1,004.54 for the charity Stepping Stones. The festival also featured festive stalls, entertainment, and the Christmas lights switch-on, bringing joy to all ages.

Cracking Christmas Lunch

For the ninth year, Fleet Town Council hosted a free Christmas Day lunch for those in Fleet, Elvetham Heath, and Church Crookham who would have spent the day alone. The event was a great success, with around 70 guests and volunteers enjoying a warm, festive afternoon. This event wouldn't have been possible without the support of many generous individuals and organisations. Thank You!

Thinking Back

to Fleet Town Council Highlights

Town in Bloom: A Growing Commitment to Nature

Last year, Fleet High Street was brightened by beautiful, bee-friendly floral displays that blossomed from June to October, bringing vibrant colour to the heart of our town.

This year, with the help of an environmental grant we gave nature a fresh boost by planting around 64 new trees in our parks and open spaces, enhancing the local environment.

And thanks to the valuable feedback from residents, we are adding dedicated pollinator areas across our parks and open spaces. These areas will support local wildlife and promote biodiversity.

We appreciate your continued involvement in shaping the future of our green spaces. Be sure to follow us on Facebook and Instagram for updates and opportunities to get involved!

Fleet in the spot-LIGHT

Our festive lights along Fleet High Street gained unexpected national attention, bringing smiles to many and reinforcing the vibrant sense of community in the area. Though the display was never intended to make headlines, the dazzling lights have become a symbol of the town's festive spirit during the Christmas period.

Remembrance Sunday

Thank you to everyone who attended the Remembrance Sunday service, parade, and wreath-laying ceremony at Gurkha Square. It was an honour to be part of Fleet's Act of Remembrance, with residents of all ages coming together to pay their respects. Wreaths were laid by local groups and dignitaries, and we were pleased to welcome around 300 people for refreshments afterward.

Halls for Hire

The Harlington provides a lively and versatile venue at the heart of the community. There's also a great line-up of entertainment available, see pages 6-7 for details. With its spacious auditorium, professional sound and lighting systems, and additional rooms for smaller gatherings, it supports a variety of community-focused activities. Welcoming and adaptable, The Harlington is also available to hire.

Ancells Community Centre provides a friendly space for parties, classes, and gatherings. Offering flexible layouts, kitchen facilities, and free parking, it's an ideal venue to hire. There is also a host of regular community activities available at the venue.

Time for Tennis

With the tennis season approaching, now is the perfect time to enjoy one of the courts available at Calthorpe Park. You can play as much as you like for just £40.83 per year! The membership fee entitles each household to a code that can be used to access the courts after making a reservation online. Pay to play is also available! Visit www.calthorpeparktennis.com to book.

Stay tuned for updates on this exciting project!

PROJECTS
