| 9.   | <b>COMMUNITY GOVERNANCE REVIEW</b><br>Hart District Council has now published its <b>draft recommendations</b> following the initial stage of the Community Governance Review (copies of the recommendations are attached).  |  |  |  |
|      | <ul> <li>Based on the submissions received during the first round of consultation, Hart District Council is proposing a reduction in the number of Councillors for Fleet Town Council from 18 to 15. The reduction is proposed to be achieved by decreasing the representation in each of the following wards by one councillor: <ul> <li>Fleet Central</li> <li>Fleet Courtmoor</li> <li>Fleet Pondtail</li> </ul> </li> </ul>  |  |  |  |
|      | <b>Implications</b><br>The reduction in member numbers reflects Hart's view on electoral ratios and community representation based on current and forecast elector numbers. However, the revised distribution results in a <b>less balanced ratio of councillors to electors</b> across the five wards than is currently the case.   |  |  |  |
|      | <b>Request for Comments</b><br>Hart District Council is now seeking feedback from Fleet Town Council and other<br>stakeholders regarding the draft recommendations. In particular, they have asked for any<br>comments on the proposed distribution of councillors across wards and the acceptability of<br>the new electoral ratios.  |  |  |  |
|      | <ul> <li>RECOMMENDATIONS</li> <li>a) Consider the proposed reduction in councillor numbers and the redistribution across wards; and</li> <li>b) Determine what, if any, formal response the Council wishes to submit to Hart District</li> </ul>   |  |  |  |
|      | Council.   |  |  |  |
| 10.  | <b>CEMETERY PRICE LIST AND RULES &amp; REGULATIONS</b><br>As agreed at the meeting of the Recreation, Leisure and Amenities Committee held on 18<br>June 2025 (see Minutes Items 5, 18 and 25), the Cemetery Price List and Rules &<br>Regulations have been reviewed and updated. The proposed amendments are shown in<br>red for ease of reference. <i>(Copies attached).</i>  |  |  |  |
|      |  |  |  |  |

|     | <b>RECOMMENDATION</b><br>To consider the proposed amendments and, if deemed appropriate, approve the revised<br>Cemetery Price List and Rules & Regulations.   |  |  |

Councillor Oliver advised that Hart District Council is currently conducting an internal review of its assets to determine appropriate future ownership in light of the forthcoming Local Government Reorganisation. ## FC JUNE 2025 ITEM 20 MARTYN'S LAW

As reported at the 14th of May Policy & Finance Committee meeting, the Terrorism (Protection of Premises) Act 2025, commonly known as Martyn's Law, has now received Royal Assent and will be fully implemented in approx. 22 months' time.

This Law will affect all of the local groups that arrange public events and it is critical that a clear understanding of its implications is shared amongst all those responsible for our local festivals, celebrations and memorials. It is, therefore, proposed that representatives of these organisations – including Fleet Half Marathon. Fleet 10k, Fleet Carnival, Remembrance Sunday, Fleet Christmas Festival, Music on the Views, Concert on the Green – should get together to plan the future sharing of knowledge, expertise and resources so that all these much loved local events can continue to move forward successfully.

A request has been made for a meeting of these representatives to have the free use of the Music Room at The Harlington at 7 pm on 26th June for this important meeting and it is hoped that Fleet Town Council will grant this request. Should Members grant this request for grant aid in kind for room hire, it would cost  $\pm 17.00 + VAT$  and could be allocated from the Community Support grant budget.

## RLA JUNE 2025 ITEM 1 APOLOGIES

Members received and accepted the apologies as noted above.

## RLA JUNE 2025 ITEM 2 DECLARATIONS OF INTEREST

Councillor Taylor declared an Other Registerable Interest in Agenda Item 7 on the grounds he is a director of the Fleet Market CIC.

### RLA JUNE 2025 ITEM 3 QUESTIONS FROM THE PUBLIC

The representative from the Friends of Oakley Park raised the following questions:

- Councillor Stanton Councillor Taylor
- Councillor Tilley
- # Councillor Wildsmith
- 0 Councillor Willcocks
  - 0 Apology for Absence L Late

- 1. When is the ladder on the trim trail being replaced?
- 2. The incident on 2 May 2025 occurred within 15 metres of the CCTV does Fleet Town Council intend to prosecute?
- 3. The previously reported collapse of the banks along the stream appears to be worsening does the Council intend to repair them?
- 4. Cracks are appearing on the bridge, indicating that subsidence may be causing the bridge to sink does the Council intend to take action?

The Facilities and Open Spaces Manager provided the following responses:

- 1. There has been some back and forth with the Council's insurers. Once the claim is settled, the order for the replacement ladder is ready to be placed.
- 2. The incident was reported to the police by the Facilities and Open Spaces Manager, although it would have been helpful if the witness had also reported it directly. The Council cannot access the CCTV footage; however, the police can. The Facilities and Open Spaces Manager will follow up with the police.
- 3. The original report regarding the stream banks was assessed by the Grounds Maintenance team, who determined there was no immediate risk at the time. The Facilities and Open Spaces Manager will arrange for the situation to be reassessed.
- 4. The Facilities and Open Spaces Manager will request the Grounds Maintenance team to inspect the bridge and assess any ongoing subsidence concerns.

## RLA JUNE 2025 ITEM 4 MINUTES OF PREVIOUS MEETING

Members received and approved as a correct record the minutes of the Recreation, Leisure and Amenities Committee meeting held on 19<sup>th</sup> March 2025.

Members noted that the single-layer brick wall the Council approved to help prevent flooding during periods of heavy rainfall had been installed. The Facilities and Open Spaces Manager was asked to follow up with Bean at the Park to confirm whether the newly installed wall was functioning as intended.

## RLA JUNE 2025 ITEM 5 THE CEMETERY CLERK'S REPORT

Members received and considered the written report from the Cemetery Clerk.

Members noted that the issue with moles at the Cemetery had resolved.

Members also noted the Cemetery Clerk's forecast that, at current rates, the remaining burial plots would be fully used within two years. Members enquired about the status of the proposed extension. The Executive Officer advised that the first step was to register the unregistered land at the Cemetery, and she was liaising with the Council's solicitors to progress this. Once registration was complete, the Council would need to determine an appropriate design. Councillor Schofield informed Members that Hart District Council had confirmed that the land already had planning permission for burial use.

## RESOLVED

a) That Members approved the Cemetery Clerk's proposed adjustment to the Cemetery price list. b) That the Cemetery Clerk and Executive Officer be requested to review and amend the Cemetery Policy and bring it back to this Committee or to Full Council, whichever meets soonest, for approval.

## RLA JUNE 2025 ITEM 6

## THE HARLINGTON AND ANCELLS FARM COMMUNITY CENTRE REPORT

Members received an update from the General Manager on events, hall hires, and operational activities at The Harlington and Ancells Farm Community Centre.

Members noted that the General Manager had undertaken filming at Ancells Farm Community Centre for use in promotional material.

## RESOLVED

Members resolved to note the report.

The General Manager left the meeting at the conclusion of this item.

## RLA JUNE 2025 ITEM 7 FLEET MARKET STORAGE

Members noted that storage continues to present a significant challenge for the Council, both within its own premises and within the existing outdoor lock-up. The ongoing accommodation of Fleet Market's equipment has exacerbated the issue, resulting in the displacement of Council-owned items. In some cases, displaced items have had to be stored off-site, including in domestic residences, due to a lack of available secure storage.

It was noted that, at a previous meeting (RLA Committee, December 2024, Item 9), Members had requested that alternative storage options be explored.

The Facilities and Open Spaces Manager (FOSM) identified storage units located to the rear of the Old Bakers Shop (Victoria Road car park) as a possible solution.

Councillor Taylor confirmed that while the Market was breaking even and therefore financially sustainable, it could not afford to cover the cost of hiring external storage.

Members requested that the FOSM develop a proposal for a compound on Council-owned land.

Members also requested that a detailed assessment of storage requirements be produced, specifying what items need to be stored, the reasons for storage, required access frequency, and preferred location.

### RESOLVED

To defer the decision until September 2025, once a clearer picture of storage space requirements has been established.

## RLA JUNE 2025 ITEM 8 EVENT APPLICATIONS

Members considered the following applications to hold events on Council land:

| Fleet Infant School Family<br>Fun Day | Oakley Park | 7 September 2025 |
|---------------------------------------|-------------|------------------|
| Oakley Park Summer Fete               | Oakley Park | 19 July 2025     |

## RESOLVED

Members approved both events.

### RLA JUNE 2025 ITEM 9 MEMORIAL BENCH INSCRIPTION

At this Committee's previous meeting a request to install a bench at Calthorpe Park was approved but the inscription proposed was rejected as it was not policy compliant. Since then, a request to make a one-off exception has been made as the applicants would like the inscription to reflect the important role Mr Barrell played in the Fleet & District Carnival. The requested inscription is a reduction from the original application.

In memory of Anthony Barrell of the Fleet & District Carnival from 1989 - 2023.

### RESOLVED

Members approved the following inscription - Anthony Barrell of the Fleet & District Carnival from 1989 - 2023.

## RLA JUNE 2025 ITEM 10

Fleet Town Council had received several requests via social media to review the gated access to Calthorpe Park from Merivale, with the aim of improving accessibility for wheelchair users and those with pushchairs. In response, officers explored potential solutions and presented a range of options to the public through an online survey.

The majority of survey responses supported enhanced access for pedestrians, wheelchair users, and pushchairs, while expressing strong opposition to unrestricted vehicle access, citing safety concerns—particularly for children who may run past the current single bollard directly into the road.

A donation of £2,698.59 from the dissolved Friends of Calthorpe Park group is available to be allocated to this project. The total cost of the recommended solution is £3,234 + VAT, resulting in a shortfall of £536 (excluding VAT), which will be funded from the Grounds Maintenance budget.

## RESOLVED

Members approved the purchase and installation of a new gate, including a kissing gate, at Calthorpe Park to enhance pedestrian safety and accessibility.

## RLA JUNE 2025 ITEM 11 ANCELLS FARM PARK – PLAYGROUND SURFACING

Members of the Parks and Open Spaces Working Group met on 28th April to consider a range of improvement works, including the condition of the playground at Ancells Farm Park.

The play area has become increasingly muddy, particularly during wet weather, rendering it difficult to use and significantly reducing accessibility and enjoyment for children and families. As a result, Members discussed the potential to improve the surface under and around the play equipment.

Officers approached three companies for quotations. At the time of issuing the agenda, only one quotation had been received. However, since then a second quote was received (FOSM to circulate to members).

## RESOLVED

- a) Members requested that further quotes be sought.
- b) Members authorised the Executive Officer to commence a PWLB application for this capital purchase.

## RLA JUNE 2025 ITEM 12

### ANCELLS FARM COMMUNITY CENTRE – CARPET REPLACEMENT

Members noted options for replacing the flooring at Ancells Farm Community Centre and the quotes for those options from two contractors (third contractor did not respond).

### RESOLVED

Members approved the quote from Contractor A for Carpet Tiles at a cost of £2,480. Contractor A was subsequently revealed to be Carpet & Flooring Co.

## RLA JUNE 2025 ITEM 13 THE VIEWS SKATEPARK – TENDER BRIEF

Members considered the Tender Brief outlining the proposed replacement of the skate park at The Views. The brief includes the scope of works, desired outcomes, and the project's key requirements. This redevelopment aims to provide a modern, inclusive, and durable facility that meets the needs of local users, promotes active lifestyles, and enhances the overall appeal of the park.

Members requested the following amendments to the brief:

- 6.1 be amended to read 'up to three'
- 6.6 to be amened to read 'Maintenance requirements, aftercare and warranty periods'
- 9.6 to be deleted in its entirety

Members noted that as the contract value over £213,477, the Council is required to conduct a full open tender.

## RESOLVED

- a) Members approved the amened Tender Brief for the Supply and Installation of a new Skate Park.
- b) Members authorised the Facilities and Open Spaces Manager to commence the tender process with contractors' prequalification form to be used.

## RLA JUNE 2025 ITEM 14 SENSORY HERB GARDEN AT BASINGBOURNE PARK

Members considered the updated proposal, and the two location options put forward for a sensory herb garden at Basingbourne Park, along with feedback from the Friends of Basingbourne Park.

## RESOLVED

That the Committee does not support the installation of a sensory herb garden at either of the proposed locations within Basingbourne Park but encourages the Spaces for Nature group to explore alternative sites for the initiative, such as Calthorpe Park, in consultation with relevant stakeholders.

## RLA JUNE 2025 ITEM 15

## BASINGBOURNE PARK – INSTALLATION OF NATURE BRASS RUBBING POSTS

Members considered a proposal from the Friends of Basingbourne Park to install up to 15 naturethemed brass rubbing posts throughout the woodland and heathland glades of Basingbourne Park.

Members noted that ongoing maintenance of the posts would be the Council's responsibility.

## RESOLVED

Members approved the installation of up to 15 nature-themed brass rubbing posts at Basingbourne Park.

## RLA JUNE 2025 ITEM 16 ROYAL BRISTISH LEGION TOMMY SILHOUETTES

Members considered a community campaign being run jointly by Church Crookham and Fleet Men's Shed and the Fleet Branch of the Royal British Legion to replace and expand the display of the RBL "Tommy" silhouettes around Fleet and Church Crookham.

## RESOLVED

While supportive of the initiative, permission for this campaign would need to be given by Hampshire Highways.

## RLA JUNE 2025 ITEM 17

## REQUEST FROM RESIDENT – FENCE REPLACEMENT ADJACENT TO CEMETERY

Members considered a request from a resident of Loxwood Avenue regarding damage to their rear garden fence, which backs onto the cemetery. The resident, who moved into the property around May 2024, reported that branches from cemetery trees had previously fallen and damaged the fence. While the debris has since been cleared, the resident is now seeking to discuss potential replacement of the affected fence panels.

It was noted that the tree in question had fallen many years ago but had been obscured by ivy, making it difficult to detect until recent clearance works took place.

Members agreed that, unless the Council had been negligent in failing to address a known issue, the tree falling would be regarded as an Act of God, and any resulting damage should be

addressed through the resident's own insurance. Members also noted that the issue pre-dated the current resident's ownership of the property and should therefore have been raised as part of the purchase process.

## RESOLVED

That the Executive Officer be authorised to respond to the resident's letter, confirming the Council's position.

## RLA JUNE 2025 ITEM 18 CEMETERY MEMORIALS

Members considered the Council's current Memorials Policy and its application to memorial benches and trees within the Cemetery. Section 8 of the Cemetery Policy requires approval from the Council for all memorials, including submission of detailed plans prior to production; however, this clause does not explicitly address memorial benches or trees. Custom and practice has seen the Cemetery Clerk approving or refusing such applications and determining their placement within the grounds.

A recent audit by the Chairman of the Council identified that 21 memorial benches are currently installed in the Cemetery.

## RESOLVED

- a) That no further memorial benches or memorial trees be permitted for installation within the Cemetery.
- b) That residents be permitted to plant shrubs or rose bushes within existing beds as an alternative.

## RLA JUNE 2025 ITEM 19

## THE VIEWS PLAYPARK

Members received an update on the progress of The Views playpark project.

Members expressed a preference for any proposed scheme to make use of the existing slope within the park and to include seating for parents and carers.

## RESOLVED

Members noted the update and requested the Facilities and Open Spaces Manager to draft a tender brief for the project. The brief should specify a project budget rather than detailed equipment requirements and invite up to three design proposals.

## RLA JUNE 2025 ITEM 20 ANCELLS FARM COMMUNITY CENTRE- NEW KITCHEN

Members noted that the Ancells Farm Community Centre Kitchen needs to be replaced and that Officers will be seeking quotations to put to Members for inclusion in the 2026/27 budget.

## RLA JUNE 2025 ITEM 21 BASINGBOURNE PAVILION CEILING

Members noted that the Council's insurers have offered a settlement of £2,069.05 (net of the  $\pounds$ 250 excess and inclusive of VAT) in respect of the damage to the ceiling at Basingbourne Pavilion. The settlement will allow the necessary repair works to be undertaken within the existing budget allocation.

## RLA JUNE 2025 ITEM 22 ANNOUNCEMENTS

Members were asked to respond to the Communications Officer request to do promotional videos on the Council's parks.

## RLA JUNE 2025 ITEM 23 FUTURE EVENTS

Members noted future events taking place on Council property, as detailed on the table below.

| Oakley Brass Band  | 29 <sup>th</sup> June 2025          | Oakley Park                  |

## RLA JUNE 2025 ITEM 24 DATE AND TIME OF NEXT MEETING

The next meeting of the Recreation, Leisure and Amenities Committee will be held on Wednesday 17<sup>th</sup> September 2025, 7pm at The Harlington.

Members agreed to extend the meeting for a further 15 minutes to address the remaining agenda item.

## **CONFIDENTIAL ITEMS – CLOSED SESSION**

The Chairman stated that the following items for discussion relate to the engagement and terms of service in relation to employees and terms of tenders, and proposals and counterproposals in negotiations for contracts.

## **CEMETERY FEES – DISPUTE REGARDING RESIDENCY STATUS AND COMMUNICATION**

Members considered a report on a dispute regarding residency status and communication.

The Executive Officer, in consultation with Councillors Einchcomb, Woods and Schofield, decided as a one-off exception due to the particular circumstances to grant the discounted rate for this burial. Members noted the Executive Officers' use of delegated authority in this matter.

## RESOLVED

- a) That the Cemetery Clerk and Executive Officer be requested to review and amend the Cemetery Price List and bring it back to this Committee or to Full Council, whichever meets soonest, for approval.
- b) That the Executive Officer draft a letter to go to the Church Crookham and Elvetham Health parish councils requesting they consider contributing to the upkeep of the cemetery and in return their residents would be granted the discounted prices.

The meeting closed at 10:06pm.

There were no declarations of interest.

### EFC JUNE 2025 ITEM 3 QUESTIONS FROM THE PUBLIC

Q. The plans don't appear to address the issue of security, which with Martyn's Law having been enacted, is of real concern to staff. Can something be done about this?

A. Some aspects of Security are dealt with within the current plans, but more work will be done on Security in the next phases, which will be more detailed.

## FC JUNE 2025 ITEM 4 HARLINGTON DEVELOPMENT PROJECT

Burrell Foley Fischer (BFF) presented the summary findings of their Stage 1 Feasibility Study.

The presentation included a review of the various stakeholders engaged during the study process and a summary of the key feedback received from those engagement sessions.

0 Apology for Absence L Late

- \* Councillor Taylor

- \* Councillor Woods

BFF then provided an overview of each principal area within the building, identifying key issues in each space, before presenting the three development options explored as part of the feasibility study.

**Option 1** was described as the most 'light touch' approach, focused on ensuring compliance, improving operational efficiency, and addressing the most pressing functional issues. The internal layout remains broadly unchanged, with modest interventions to improve the user experience. The external envelope is largely retained, aside from upgrades to doors and windows. General upgrades throughout the building would include:

- Modification to the main auditorium including:
  - Tiered retractable seating
  - New first floor accessible balcony.
  - New in-venue bar
  - Upgraded technical infrastructure
  - New fully insulated load bearing roof
- Replacement of all floor and ceiling finishes
- Redecoration of all internal walls

•

- Replacement of sanitaryware, windows, and doors (subject to fire strategy)
- Upgrades to the security strategy, including access control, CCTV, and alarm systems
- Replacement of outdated mechanical services and plant
- Thermal and acoustic improvements where feasible
- Fire safety upgrades as outlined in the OFR report

The estimated cost of Option 1 is £9.9 million.

**Option 2** builds upon the baseline set out in Option 1, with a higher level of intervention. This option includes:

- A full remodelling of the auditorium to increase capacity including
  - Extended wrap around balcony
  - New improved/functional get-in arrangements to the stage.
- Reconfiguration of internal spaces to improve functionality and flexibility
- Significant improvements to the building frontage and landscaping
- Improving ground floor female toilet provision.

The estimated cost of Option 2 is **£13.9 million**.

A third option was also considered, providing a **new-build studio** space adjacent to the existing building. The proposed facility would be a multi-purpose studio suitable for meetings, rehearsals, dance, and small performances, with supporting infrastructure (WCs, separate entrance, etc.) to enable it to operate independently. The intention is for this new space to be delivered as a first phase to allow the Harlington to remain operational during later phases of work.

The estimated cost of Option 3 is £3 million.

BFF also demonstrated how **Option 2** could be broken down into **four modular elements** that could be selectively added to Option 1 to create hybrid options:

a) Extended balcony with side slips - £1.4m

b) Remodelled frontage – £1.6m

- c) FTC offices £0.55m
- d) Get-in / scene dock £0.45m

## RESOLVED

- a) That the Executive Officer, supported by BFF and Stuart Shanks, proceed with an application to the Arts Council for grant funding based on Option 2.
- b) That financial modelling be undertaken to explore how the Council could fund Option 2 in the event that grant funding is not secured, with the aim of avoiding a large, single-year financial impact.
- c) That the Executive Officer and Harlington General Manager, supported from Stuart Shanks, investigate options to ensure The Harlington does not have to close entirely during the renovation process.

## FC JUNE 2025 ITEM 5 DATE AND TIME OF NEXT MEETING

The next meeting of the Council is scheduled to be held on Wednesday 4<sup>th</sup> July 2025 at 7pm in The Harlington.

The meeting closed at 9.26pm.

# 8. PROPOSAL FOR DELEGATED AUTHORITY – GRANT AID IN KIND (ROOM HIRE)

## 1. PURPOSE OF PROPOSAL

This paper proposes that the Town Clerk be granted limited delegated authority to approve Grant Aid in Kind requests specifically relating to room hire at either of the Council's community centres (The Harlington or Ancells Farm), subject to defined parameters, to allow for timely support of community-facing initiatives where formal Council approval is disproportionate to the nature or value of the request.

### 2. BACKGROUND

Recent community requests for use of The Harlington for low-cost, high-benefit activities—such as a police coffee morning (£60) and a multi-agency discussion on Martyn's Law (£17)—required full Council approval as the Clerk has no current authority to grant them.

During discussion at the June 2025 Full Council meeting, Members recognised the inefficiency in bringing low-value requests to Council and requested a formal proposal be brought forward to consider limited delegated powers to the Clerk for such matters.

### 3. PROPOSED AUTHORITY PARAMETERS

It is proposed that the Town Clerk be authorised to approve Grant Aid in Kind for use of community centre rooms under the following conditions:

- **Community Benefit**: The activity must be for demonstrable community benefit and delivered by a not-for-profit body, public service, registered charity, or constituted community group.
- **Room Hire Only**: The grant may only be used to offset the standard room hire fee. No other Harlington services (e.g., technical, staffing, equipment hire) are eligible.
- **Availability**: Grant Aid in Kind may only be applied where the room in question is not already booked by a paying customer and its allocation does not displace potential income.
- Individual Request Cap: No more than £75 may be granted per individual request.
- **Annual Cap**: Total value of Grant Aid in Kind awarded under this delegation must not exceed £250 per financial year.
- **Budget Allocation**: All grants made under this scheme are to be funded from the Council's existing Community Support Grants budget, currently set at £1,500 per annum.

#### 4. ADMINISTRATION AND TRANSPARENCY

- The Clerk will maintain a register of all such awards, detailing the organisation supported, the value of the room hire granted, and the purpose of the event.
- Use of this delegated authority will be reported to the next available meeting of the Policy & Finance Committee, which has overall responsibility for grant allocations.

• The total value of Grant Aid in Kind awarded under this delegation will be monitored to ensure it remains within the annual cap.

## 5. RATIONALE

This limited delegated authority strikes a balance between maintaining oversight and enabling timely, responsive support to community initiatives. The low-value cap, strict eligibility criteria, and use of an existing budget ensure strong fiscal control while supporting the Council's objective of promoting community cohesion and engagement.

## 6. RECOMMENDATIONS

That Full Council approve the delegation of authority to the Town Clerk to approve Grant Aid in Kind for room hire at Council owned community centres as set out in this paper, with effect from 3 July 2025.

### **Community Governance review - Draft recommendations**

Project: Community Governance Review

Consultation Period: 17 March 2025 – 16 May 2025

Responses: 73 (of which 3 unallocated to an area)

#### Summary

Hart is conducting this review to ensure the arrangements for towns and parishes are as effective and appropriate as possible. Councils are advised to conduct a review every 10-15 years and a Community Governance Review is due.

The review is a legal process where we review how people are represented democratically.

The review will consider town and parish councils and will also consider electoral arrangements including number of councillors. Further information on what can be considered can be found on the webpage <u>Community Governance Review | Hart District Council</u> along with the timetable for the review.

Feedback was invited on current arrangements during a public consultation from 17 March 2025 to 16 May 2025. 73 responses were received. The consultation was published on the:

- Council's web site
- Social media
- All Councillors including Hart District Councillors, and Hampshire County Councillors in the Hart area.
- Councillor Connect
- The MPs for North East Hampshire and the Aldershot Constituency
- All Town and Parish Council (who could then promote locally)
- Here for Hart distribution list

Following the consultation draft recommendations have been made. In preparing these draft proposals, the Council has been mindful of the initial submissions that have been received. The submissions can be viewed within the Initial Submissions 2025 document which also show the questions that were asked. The Council also has the role of balancing these submissions against the requirements and duties that are placed upon it in the Local Government and Public Involvement in Health Act 2007. In particular, the Council has a duty to ensure that community governance within its area under review reflects the identities and interests of the community in that area; and is effective and convenient.

| Fleet                    | 8         | Reduce the number of councillors to 15 (from 18)Fleet Town Council currently has 18 councillors with an electorate<br>if around 18,500. Some of the representations made refer to<br>reducing the number of councillors (6 submissions), this does vary<br>in number but the main suggestion is to reduce to between 12 and<br>15. The NALC suggestion for this electorate would be 22 councillors<br>therefore the submissions made were not in line with NALCs<br>recommended number of councillors. Considering the<br>representations made the draft recommendation is to reduce the<br>number to 15.Current arrangements: |

# Fleet Cemetery Fees from April 2025

When you buy a burial plot - the charges are split between the "Exclusive Rights of Burial", interment fee and the memorial permit fee. The Exclusive Rights of burial gives you the right to bury in that plot. The interment fee is an administration charge incurred each time the plot is opened and covers the updating of the burial records and associated work. The memorial permit fee gives permission for the owner to erect a memorial on the plot. The permit is to ensure all memorials conform to regulations at that time.

On receipt of proof of the deceased being a Fleet Town Council resident, the fees are reduced. A Council tax bill is accepted as proof of residency. Resident Fees apply when:

- At the time of death, the deceased resided within Fleet Town Council parish boundaries as determined by Hart District Council.
- The deceased was originally a Fleet Town Council resident but moved out of the area to a nursing/care home (proof of prior residency may be required)

Although Church Crookham and Elvetham Heath are part of the postal district of Fleet, only Fleet Town Council residents contribute to the upkeep of the cemetery through their council tax and therefore are entitled to a price reduction. Church Crookham and Elvetham Heath Parish Councils (and therefore their residents) do not contribute.

# RULES AND REGULATIONS FLEET CEMETERY

## All rules where relevant apply to both the interment of remains and ashes.

    - Interfering with a burial, grave, headstone, memorial, or flowers.
    - Interfering with cemetery operations, staff, or contractors.
    - Behaving in a disorderly manner.
      - Such persons will be asked to leave immediately. Fleet Town Council may take legal action under the Burial Act against anyone in breach.
  - Bicycles, vehicles, vans, or cars, except for Blue Badge holders and contractors with express permission from the Cemetery Clerk. The speed limit within the cemetery is 5 mph.
- 1.2. Current fees for all burial and memorial-related matters are available on request and published on the Council's website. These are subject to annual review and may change without notice following a Council resolution.

#### 1.3. Fees are split into three elements:

- Exclusive Rights of Burial: the right to bury in a specific plot.
- **Interment Fee:** a charge incurred each time the plot is opened; this covers administrative work and record-keeping.
- **Memorial Permit Fee:** permission for the owner to erect a memorial that complies with current regulations.

#### 1.4. Pre-purchasing Exclusive Rights of Burial

The Exclusive Right of Burial may be purchased in advance for a designated plot, subject to agreement with the Council. The fee payable will be based on the rates at the time of purchase. Interment fees are payable each time the plot is opened, regardless of whether the plot was purchased in advance.

#### 1.5. Resident and Non-Resident Fees

Standard (non-resident) fees apply to individuals not living within the Fleet Town parish at the time of death.

Reduced fees apply where:

- The deceased was a resident within the parish at the time of death (evidenced by a Council Tax bill).
- The deceased had moved to a care facility outside the parish but was previously a Fleet Town Council resident.

*Note:* Church Crookham and Elvetham Heath fall within the Fleet postal district but are separate parishes. As their residents do not contribute to the cemetery's upkeep via Fleet Town Council tax, they are not entitled to discounted fees.

1.6. Ownership of Exclusive Rights of Burial usually transfers upon the purchaser's death to the next of kin or executor. The Council must be contacted to formally arrange this transfer. A fee applies.

  - A Registrar's Certificate (Green Form), Coroner's Order for Burial, or Cremation Certificate.
- 2.3. Fees must be paid via BACS or cheque before the burial takes place. An invoice can be provided if required.
- 2.4. A Grant of Exclusive Right of Burial (grave deed) will be issued when a new plot is purchased. This deed grants burial rights but not land ownership.
- 2.5. Failure to comply with the above requirements may delay the burial. The Council accepts no responsibility for any such delays.
