Fleet Future/Fleet Town Council's Open Day

Saturday 31st October 10am — 4pm at The Harlington

Come along to The Harlington and give Fleet Town Council your views on the projects you told us you wanted

Over the last few months, Fleet Town Council has been working on several large projects for Fleet and will be using the Fleet Future Annual Open Day as an opportunity to consult with local residents to get their feedback.

Displays and information will be on show for the following projects:

- Fleet Neighbourhood Plan - The work to date on a plan that will give the people of Fleet the opportunity and power to shape development and growth within our local area.
- A new Harlington Development within Gurkha Square – to replace the existing building
- Design proposals for Calthorpe Park and the recreational activities proposed
- Vision for a Garden of Remembrance within Fleet Cemetery
- Overall vision for the Views including details of the Sensory Experience

Fleet Future will be presenting the results of the recent benchmarking statistics (car parking, footfall and business/customer satisfaction) as well as information about the Fleet Experience.

FRIENDS OF PARK GROUPS

INTERESTED IN JOINING?

If you have an interest in one of the Parks in Fleet then why not join a Friends of Group.

The Friends of Groups are groups of local residents interested in supporting the regeneration of a particular park through action days and projects; previous projects have included for example fundraising for new equipment and nature events.

There are currently groups for Ancells Farm, Basingbourne, Calthorpe and Oakley Park.

Links to the Friends of Group websites can be found at www.fleet-tc.gov.uk under the Sports & Recreation tab.

Fleet Town Council is also looking into setting up a Group for The Views.

If you would be interested in joining or for more information please contact us on 01252 625246 or Email: charlotte.benham@fleet-tc.gov.uk

FRIENDS OF THE CEMETERY

Are you able to help improve the environment in our Cemetery? Do you have an hour to spare each week?

Fleet Town Council is responsible for the general maintenance within the cemetery however the owner of the exclusive rights is responsible for the maintenance of the memorial on the plot and to keep the plot tidy and ensure that flowers or ornaments do not interfere with any other grave space. Unfortunately some of the graves are sadly neglected as the families move away or are unable to visit.

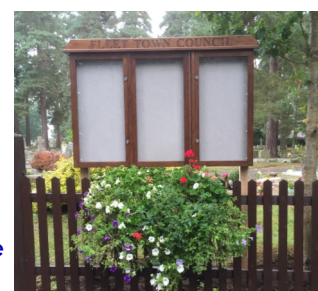

Fleet Town Council is hoping to encourage some volunteers to start a "Friends of the Cemetery" group in the near future that can at least tend such graves. Please contact the Cemetery Clerk if you are interested.
